& AREA ARTS ASSOCIATION

WHODUNIT?

Does your art have a recognizable style? Let's see if we can identify each other's work from just 2 samples!

That's the idea behind our *WHODUNIT?* activity.

Required: Two paintings, one small (equal to or less than 10" per side,) and one larger, any size.

Conditions: Both must be in your usual medium and should be different subjects. Don't try to be completely dissimilar to try to fool us! Just do your normal thing.

Please provide a card/tag/post-it with your name on it for the small one. If your larger one already has your signature on it, please put a piece of masking tape or post-it note over it.

They don't have to be new paintings, perhaps you have a relatively recent larger one and can do up a smaller one to participate; or maybe you already have two candidates... as long as they meet the **Conditions** above.

Bring both paintings with you to the **June 23rd Members' Meeting** at North Fred at 12:45 pm.

Put your Sherlock cap on and be prepared to tell us all *WHODUNIT?*

**There will be a prize for the
winning detective...
i.e. the one with the most
correct answers!**
